Review Due:

POLICY ON HIRING OF SCHOOL PREMISES

INTRODUCTION

This policy applies only to the hiring of school premises. Separate arrangements are in place for the hiring of the Redgrave Sports Centre facilities. The Governing Body regards the school's buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible. However, the overriding aim of the Governing Body is to support the academy in providing the best possible education for its students, and any lettings of the premises to outside organisations will be considered with this in mind.

Use of the school premises by the school, or on behalf of the school are not subject to the charging elements of this policy.

Categories of Lettings

The use of the school premises is divided into the following categories:

- i. Community and Leisure
- ii. Private (e.g. Wedding Receptions)
- iii. Commercial

Availability of Premises

Designated areas within the school are available for hire unless required by the school.

Charges

The Governing Body reserves the right to make a charge for the use of the school premises. The charge will vary according to the category of the letting as laid out in Appendix A.

Financial Considerations

The Governing Body must ensure that funds provided for education are not drawn upon, either directly or indirectly, as a result of any letting agreement, nor put at any risk. It is, therefore, important that all community activities are completely self-financing and separate records are kept.

Costs that might need to be recovered include:

- Staffing time, staff training, insurance, equipment and material, heating, lighting, water, grounds maintenance, cleaning, catering, adaptations for use, rates.

VAT

VAT is normally chargeable only on lettings of sports facilities (a concession may be available from H.M.Revenue & Customs if certain conditions are met).

Application Procedures

- a) Application forms, available from the school, should be submitted to the Assistant Business Manager, at least two weeks before the first day of the proposed letting. The person signing the application form will be considered the Hirer. The Hirer will be required to return the completed booking form to the school before a booking can be accepted.

The booking acceptance will be confirmed by return with a copy of Terms and Conditions (Appendix B).

- b) All applications will be taken into consideration, however the Governing Body reserves the right to:
- Refuse applications without giving a reason
 - Have a representative present at any function
 - Terminate any activity not properly conducted
- c) Letting fees are reviewed by the Governing Body. When the letting has been confirmed, payment must be made to the school, prior to the use of the premises.

Legal Requirements

The law states that the occupation and use of school premises is under the control of the Governing Body at all times.

The Education Act 2002 has made it easier for Governing Bodies to provide facilities and services to the local community, whilst introducing a number of safeguards to protect the primary use of schools for educating pupils.

Public Liability And Accidental Damage Insurance

The school has public liability and accidental damage insurance.

Suitability, Accessibility and Security of Premises

Schools will need to assess whether their premises are suitable for the uses proposed and whether there might be any impact on the delivery of education to pupils. Some of the issues that should be assessed should include:

Health and Safety – under Health and Safety Regulations an employer is responsible for the health and safety of employees and others who are on the school premises. This responsibility is normally delegated to the Headteacher.

A Risk Assessment should be carried out on the impact that the new letting arrangement may have. Issues to include:

- Safeguarding Children and Child Protection

Paragraph 2.26 of the DfES document Safeguarding Children and Safer Recruitment in Education 2007 states, *“Where services or activities are provided separately by another body, the Governing Body should seek assurance that the body concerned has appropriate policies and procedures in place in regard to safeguarding children and child protection and there are arrangements to liaise with the school on these matters where appropriate.”*

Where a third party is responsible for running the services, there should be clear lines of accountability and written agreements setting out responsibility for carrying out checks on staff and reporting any concerns they may have. Governing Bodies should reciprocate in providing information back to the third party where there may be concerns that may impact on other services being run on school premises.

Security

The Governing Body needs to consider who will be responsible for the security of the premises, before during and after the hire, for the cleaning of the premises after its use and any additional cost arising. Emergency contact details should be made available to each hirer and advice given on any hazards on the premises, e.g. if there are contractors on site, or unfinished building projects etc.

Fire Safety

The school's fire risk assessment should be reviewed and fire safety procedures should be followed by all providers of services. There must be a clear procedure for the hirer to summon emergency services when required and either an open telephone landline or a fully charged mobile telephone.

Asbestos Management

A Risk Assessment should be carried out on whether any proposed use, or any work undertaken in relation to the proposed use, might affect asbestos-containing material.

Traffic Management

Any potential risks the proposed use might have upon the control of vehicular and pedestrian access should be considered.

Cleaning up and Waste Disposal

Arrangements for cleaning up and safe disposal of rubbish, unused or waste food, broken glass etc, should be made clear to the Hirer.

Disability Discrimination – the Disability Discrimination Act 1995 requires everyone who provides services to the public or a section of the public, to make reasonable adjustments to their premises, or the way they provide their services, so that a disabled person is not treated less favourably than others. A failure to do so will be unlawful, unless it can be justified under the Act, and could result in civil proceedings.

The Governing Body keep their accessibility plan under review to ensure any changes needed are identified and taken into account.

TERMS AND CONDITIONS OF HIRE OF THE SCHOOL PREMISES

These terms and conditions must be complied with.

The 'hirer' shall be the named individual on the hire agreement and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.

Status of the Hirer

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background.

The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

Disclosure and Barring (DBS) Checks

It may be necessary for the hirer to undergo a criminal records check via the Disclosure and Barring Service (DBS). If a particular letting involves contact with children and young people, it is the responsibility of the hirer, as advised by the Headteacher, to ensure that they have complied with the DBS Code of Practice and report to the school any safeguarding concerns which may arise.

The Hirer will be required to provide evidence that DBS checks have been carried out on request.

Indemnity and Insurance

Lettings are made on the agreement that the Governing Body are indemnified by the hirer against any loss, damage, costs and expenses during the use of the school premises by the hirer except where such loss, damage costs and expenses are directly attributable to the negligence of the employees of the Governing Body.

The hirer shall insure with a reputable insurance office approved by the Governing Body, against such funds as the hirer may become liable to pay as compensation, arising out of bodily injury or illness (fatal or otherwise) to any person and/or costs, fees, expenses, loss or damage caused to property or the premises by any act or neglect of himself, his servants, agents or any person resorting to the premises by reason of the use of the premises by the hirer.

Unless specifically agreed by the Governing Body, the insurance cover shall provide a limit of indemnity of not less than £5,000,000 (five million pounds) in respect of any one incident and to include liability for the premises including liability for fire and explosion risks arising from the hire of the premises.

The hirer shall produce the policy of insurance and receipts for the current premium or premiums upon request by the school within seven days of a request.

The school will not be responsible for any injury to persons or damage to property arising out of the letting of the premises. If appropriate evidence is not provided insurance will be provided via the policy arranged through the school, and the hirer will be charged the appropriate premium. This must be paid in full before commencement of the letting.

In the event that a hirer accepts the liability cover provided via the Governing Body, the hirer will be required to pay the first £500.00 of any claim for damage to property or the premises.

Statutory Requirements

The hirer must not do, nor permit, any act, matter or thing which would, or might, constitute an illegal or immoral activity affecting the school premises or which would, or might, vitiate in whole or in part any insurance effected in respect of the premises from time to time.

Public Safety

All conditions attached to the granting of a licence, stage play or other licences and the school's health and safety policy shall be strictly observed. Nothing shall be done which will endanger the users of the building, or invalidate the policies of insurance relating to it and its contents. In particular:

1. Obstructions must not be placed in gangways, exits or in front of emergency exits, which must be available for free public access and exit at all times;
2. The emergency lighting supply must be turned on during the whole time the premises are occupied, and must illuminate all exit signs and routes;
3. Fire-fighting apparatus shall be kept in its proper place and only used for its intended purpose;
4. The Fire Brigade shall be called to any outbreak of fire, however slight, and details of the occurrence shall be given to the Headteacher;
5. The Hirer is responsible for familiarising his/herself with the procedure for evacuation of the premises, the escape routes, assembly points, and shall be familiar with the fire-fighting equipment available;
6. Performances involving danger to the public shall not be permitted;
7. Highly flammable substances shall not be brought into, or used, in any part of the premises. No internal decorations of a combustible nature (e.g. polystyrene, cotton, hay etc) shall be undertaken or erected without the consent of the Governing Body;
8. No unauthorised heating appliances shall be used on the premises;
9. All electrical equipment brought into the building shall be subject to regular PAT testing and certification provided in evidence. The intention to use any electrical equipment must be notified on the hire application form. The Governing Body disclaim all responsibility for all claims and costs arising out of or in any way relating to such equipment.
10. Adequate supervision must be provided to maintain order and good conduct, and, where applicable, the Hirer must adhere to the correct adult/pupil ratios at all times when these are specified for particular activities, e.g. by National Governing Bodies of sports, scouts etc.
11. The maximum number of people in the hall at any one time must not exceed 300.

12. The maximum number of people in the canteen at any one time must not exceed 300.

The Hirer's Responsibilities

- The Hirer must inform the school of any fault, damage or other problems with the premises or equipment encountered during the hiring.
- No part of the premises are to be used other than for the purpose requested.
- No part of the premises requested are to be used for any unlawful purpose or in any unlawful way.

Own Risk

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

They should not be re-arranged except by prior agreement and will be subject to reinstatement at the end of each session of use. No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the school fabric, are permitted. In the event of any damage to premises or property arising from the letting, the hirer shall pay the cost of any reparation required.

No substance is to be applied to hall floors to prepare them for dancing or any other activity. No footwear liable to damage floors may be worn in school buildings. If activities involve outdoor use, participants should ensure footwear is cleaned before re-entering the building.

This includes the use of horns, drums or other musical instruments.
