

## **ADMISSIONS POLICY 2022-23**

### **INTRODUCTION**

Great Marlow School is an Academy and the Academy Trust of the School is the admission authority.

The number of students on roll in September 2021 was 1446 including 284 following post 16 courses.

Governors have carried out a review of the admissions arrangements in line with the School Admissions Code, and having regard to the local authority (LA) consultation and timeline for co-ordinated admission arrangements. The admission arrangements comply with the Fair Access protocol as detailed in the Admissions Code.

### **PART 1 – ADMISSIONS TO YEARS 7 TO 11**

Admission at Age 11

Students will be admitted at the age of 11 years. The number of intended admissions for Year 7 commencing September 2021 will be 230.

#### **Admissions Criteria**

If the school is oversubscribed, after the admission of students with a Statement of Special Educational Needs or Education, Health and Care Plan, where the school is named in the statement or plan, priority for admission will be given to those children who meet the criteria set out below, in order:

#### **1. Looked After Children (LAC/ PLAC/ IAPLAC)**

For admissions purposes a 'looked after child' is a child who is in the care of a local authority, or is being provided with accommodation by a local authority in the exercise of their social services functions as defined in Section 22 (1) of the Children Act 1989. This covers accommodated children and those who are in care under a care or interim order. This can include: living with family or friends, in foster care, a children's home, residential school, special school or in supported lodgings.

This category includes children who were previously looked after and subsequently become the subject of adoption, residence or special guardianship.

Equal priority in criteria 1 is given to Internationally adopted previously looked after children – IAPLAC children.

Definitions:

A Residence Order adheres to Section 8 of The Children's Act and details the arrangements of where, and with whom, a child is to live.

A Special Guardianship Order is an order appointing one or more individuals to be a child's special guardian (or special guardians) under Section 14A of the Children's Act 1989

#### **2) Children of staff at the school**

Priority may be given to children of staff in either or both of the following circumstances:

- a) where the member of staff is employed by the school at the time at which the application for admission to the school is made

b) the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage

### **3. Children whose normal home address is within the catchment area of the school**

The catchment area is bounded on three sides: by the Oxfordshire border, the River Thames and the A404 (with the exception of the Little Marlow area to the east of the A404, which as from September 2021 following consultation, will be included in the catchment area) . The northern boundary runs from the Oxfordshire border, (north of Stokenchurch,) between Waterend and Stokenchurch. It continues north of the M40 but south of Studley Green and Piddington. Lane End is included in the south. To the east the boundary is the A404 at Monkton Farm.

A map of the area is available from the Local Authority within the Guide for Parents pack.

The catchment area website can be accessed via [www.buckscc.gov.uk/education/schools/admissions-and-moving-school/catchment-areas](http://www.buckscc.gov.uk/education/schools/admissions-and-moving-school/catchment-areas)

### **4. Siblings of children in Years 7 – 10 who are on the roll of the school at the time the allocations are made and are expected to be on the school roll at the time of proposed admission**

For immediate casual (in year) admission after the normal point of entry

- Siblings of children in Years 7 – 11 at the time of admission

Sibling is defined, in these admission arrangements, as children who live as brother or sister in the same house, including natural brother or sisters, adopted siblings, stepbrothers or sisters and foster brother and sisters.

**5. Children who have attended a catchment area primary school prior to admission.** The catchment primary schools are: Holy Trinity, Danesfield, Spinfield, Foxes Piece, Burford, St Peter's, Cadmore End, Frieth, Lane End and Stokenchurch

### **6. Children who have exceptional medical or social needs supported by written evidence from a doctor, social worker, education welfare officer or other appropriate person**

If you wish GMS to consider your child under this rule you must include supporting evidence from an independent professional person who is aware of the situation and supports your reasons for preferring GMS as the school for your child. The supporting evidence must clearly demonstrate why GMS is the only school that can meet your child's needs in a way that no other school can. It must also illustrate the difficulties that would be caused if your child had to attend an alternative school. The person who supplies the evidence might be a doctor, an education welfare officer or other professional aware of your case. The Governing Body will decide which children will be considered under this rule before any allocations are made. No applications can be considered under this rule unless written independent evidence is received

### **7. Those living outside the catchment area of the school**

In the event of over-subscription, once the admissions criteria have been applied, then all further places are awarded according to the straight line distance between the family's normal home address and the school's main entrance gate on Bobmore Lane using the Local Authority's measurements as set out by Ordnance Survey, offering the closest first.

Distances are calculated to three decimal places. Should the distance between two children's homes and the school be the same to this measurement of distance, both will be admitted even if this goes above the published number for the school.

### **DETERMINING 'NORMAL HOME ADDRESS'**

This is a child's permanent address at the time of completing the application form and is also the address at which parents are living. The exception to this would be if there is proof that the child lives elsewhere with someone who has legal care and control of the child.

Parents who anticipate moving to an address within the catchment area will be asked to provide clear written proof that they will be fully resident by the beginning of the term in which their child will be admitted. They will specifically be asked to provide evidence of either:

- Confirmation that the house purchase is legally binding (eg that contracts have already been exchanged and firm date for moving has been established)
- Having taken out a lease agreement of at least 12 months' duration on a property in which they and their family will be fully resident and which is appropriate to their family's needs.

In determining residence governors will not normally expect:

- families to retain a second residence elsewhere, which is their main residence
- only part of the family to move, unless it is part of divorce or permanent separation arrangements in which case governors will reserve the right to make enquiries and see additional information to verify the situation
- children to move to a residence other than with their parent/carer unless as part of fostering or care arrangements

Shared or joint residence, to avoid doubt, is where a child lives with parents or carers (with or without parental responsibility) whether for part of a week, or month in the registered address of the child benefit recipient.

### **DEFINITION OF PARENT**

This is defined in law (the Education Act 1996) as:

- Any person who has 'parental responsibility' (defined in the Children Act 1989) for the child or young person.
- Any person who has care of the child or young person.

A person who is the child's parent or carer should make the application. If two parents with parental responsibility live at different addresses, the parent the child lives with for most of the week should make the application with the full knowledge and consent of the non-resident partner.

## **MULTIPLE BIRTHS**

In the event of only one place being available within the admission number, but the next child on the list being one of a multiple birth all of the siblings will be admitted even if this goes above the admission number of the school.

## **SCHOOL TRANSPORT**

Parents and carers are responsible for making sure that their children get to and from school at the appropriate times each day. Buckinghamshire County Council currently provides school transport for students living in the transport area and more than three miles from the school. This includes Lane End, Frieth, Stokenchurch, Cadmore End and Hambleden. Where Great Marlow is not the nearest school parents may be required to pay for school transport. Further information is available from Passenger Transport Department, County Hall, Aylesbury. Bucks. HP20 1UZ. Tel No: 01296 383956.

## **HOW TO APPLY FOR A PLACE IN YEAR 7 – FOR SEPTMEBER 2021**

Applications for in-year admissions should be made to the Local Authority.

## **Appeals**

**Opportunities are Created - Potential is Realised - Excellence is Achieved**

## **Waiting Lists**

Children who have not been allocated a place at the school may have their name placed on the waiting list. The waiting list will be ranked in accordance with the school's over-subscription criteria as detailed above. Late applications will be added to this waiting list dependent on the criteria they fulfil.

## **EQUAL OPPORTUNITIES, DISABILITY DISCRIMINATION, RACE RELATIONS**

In dealing with applications for admissions governors will have full regard to the Sex Discrimination Act 1975; Race Relations Act 1976 and 2000; Human Rights Act 1998; Disability Discrimination Acts 1995 and 2005; and Equality Act 2010.

## **NAMED CONTACT**

All enquiries about admission should be made to Mr G Pendlebury at the school – Tel No: 01628 483752.

**If a place is offered at the school and it is later discovered that the offer was made on the basis of fraudulent or misleading information (eg a false claim to be living in the catchment area), and this denied a place to a child with a stronger claim, the offer of the place will be withdrawn.**
