HEADTEACHER: Mr K Ford

4th November 2021

Dear Parents/Carers

Year 10 Opportunity for Independent Study Time

I hope you are all well and had a good half term.

To best support the Year 10 students as they start their GCSEs I would like to offer the students an opportunity for an hour's study time afterschool every **Thursday from 3:15-4:15pm** starting on **Thursday 18th November**. Students can use this opportunity to work on homework, independent study or revision if needed. I will be supervising the students and can help/support where needed as well.

Initially, this will be an optional session for students to sign up for each week as and when they feel they need it. However, if there are any students I am concerned about in terms of their lack of homework, classwork or not reaching their academic potential I will make this session compulsory for those students. This will be based on progress report data and feedback from teachers. This will initially run until Christmas when I will review it to see how well it is working for the students.

I have asked students to complete an MS form over the weekend to show their interest to see how many students would want to do this so that I can find an appropriate space to run this in school.

If you have any questions about this, please email me.

Kind regards
Mrs S Wheeler
