14th September 2022

Dear Parent / Carer

RE: GCSE Food Preparation and Nutrition Apron

I am delighted to be able to offer new GCSE Food students the opportunity to purchase their own apron which will be personalised with their initial and course title. The aprons will be black in colour with red lettering. I have attached a sample image below. Students who have purchased aprons in the past have felt a strong unity within the class as it demonstrates a real commitment to their higher-level learning. Students will be responsible for the care and maintenance of their own apron instead of sharing the standard apron with the other students across the school. This is a great opportunity for students to begin their GCSE food course in a responsible and professional way. If you would like to purchase the apron, they will cost £6 which is to be paid on Wisepay by Friday 30th September. If you have any questions, then please do not hesitate to contact me. Thank you in advance for helping me to support your child.

Yours faithfully

Miss H Young
