**HEADTEACHER:** Mr K Ford

7<sup>th</sup> October 2022

Dear Year 12 and Year 13 Student

We are delighted that you are joining the Great Marlow School (GMS) Sixth Form. We are incredibly proud of our facilities and we are indebted to our past students and their parents for their contributions that have enabled us to realise this outstanding learning and social environment. In order for us to maintain our facilities and ensure regular upkeep of the environment, we request that all students in the 6<sup>th</sup> Form make a minimum, non-refundable contribution of £30 per year.

Existing students that have attended GMS through KS3 and/or KS4 will be aware that the school operates in a cashless manner and we use an external system to process any payments. The system is called WisePay. This system is used for the payment of all goods & services across the School to include our extracurricular events. It is important to note that students in the 6<sup>th</sup> Form will be required to purchase any essential text books for their A level courses. Subject teachers will be able to provide the relevant information and the school also have a booklist for all A level texts.

Having now enrolled as a member of the Great Marlow School community, you will be sent a link to sign up to WisePay.

Once you have completed the activation process, you will see the option to make your donation.

Additional items will be added to the WisePay portal by your subject teachers in due course, where applicable.

Yours faithfully

**Mr O Hollyman**  
**Assistant Headteacher/Head of Sixth Form**
