HEADTEACHER: Mr K Ford

14th October 2022

Dear Parent/Carer

During the course of your child's English study in Years 7, 8 and 9, they may be selected to take part in a target-based intervention programme to ensure that they reach their learning goals. Currently, we are introducing the programme in Year 7, but this may extend out to Years 8 and 9 as the year progresses.

This intervention is designed to help any pupils who would benefit from a short-term targeted approach and primarily focuses on grammar, punctuation and reading comprehension skills. Pupils may be selected if they are falling below, or just below, their target grades. The programme, which consists of six sessions, is taught by experienced teachers and should give pupils the confidence they need to achieve their full potential in their English lessons and assessments.

If you have any queries, please do not hesitate to contact me.

Yours faithfully

Ms R Timon
Head of English
Great Marlow School
