HEADTEACHER: Mr K Ford

24th November 2022

Dear Parent/Carer

As I am sure you are aware, the GMS Maths department follows a mastery curriculum for all students at KS3.

This involves assessing students as they complete each unit of learning and consists of a summative assessment combined with teacher feedback based on formative assessment from lessons. The results are reviewed at the end of every half term by all teachers concerned and changes are made as required. This regular tracking cycle enables us to ensure students are in the most appropriate set to benefit their learning.

I would like to make you aware we will be making changes to classes at the start of the Spring term based on all the elements mentioned above.

Yours faithfully

Mrs Bansal
Maths Department
