HEADTEACHER: Mr K Ford

16th November 2022

Dear Parents/Carers

The Science Department are delighted to offer Year 9 students the opportunity of a trip to attend 'GCSE Science Live!' at New Theatre Oxford.

The visit is open to all Year 9 students and will take place on Monday 6th February 2023. The GCSE Science Live! event offers talks by some of Britain's top scientists working at the cutting edge of their specialisms, an insight into working within many scientific careers and opportunity to receive advice about GCSE Science examinations from experienced Science examiners.

Students will be expected to wear full school uniform and if your child is eligible for free school meals, a packed lunch will be provided by the school.

We will depart from Great Marlow at 9:15am and should return to school by 4pm to the Redgrave Sports Centre car park.

The cost of the trip will be covered by the Pupil Premium funding.

If your child would like to attend, you must complete the following short MS Form <https://forms.office.com/r/LgsDLFyGZV> by **Friday 18th November** to express their interest. A letter will be sent out to confirm if your child has been successful in gaining a place on this trip at the start of December.

Certainly, this will be a valuable learning experience for all students and well worth their attendance.

Yours faithfully

Miss Lauren Westie
