Dear Parents & Carers

The online world is posing an ever-increasing risk to children, and it is important that schools, parents and carers work together to take an active role in teaching children about online dangers. Learning how to act safely when using the internet is an incredibly important part of safeguarding our children.

We are therefore delighted that **Great Marlow School** continue working with National Online Safety providing resources for all parents and carers with the aim to protect our students online. **If you have previously had an account or registered for an account**, there is a chance that this may have been deleted as the company have moved to a brand-new platform.
