

HEADTEACHER: Mr K Ford

6<sup>th</sup> December 2022

## Year 7 Swim Scheme 2022/23

Dear Parents/Carers

The students are progressing well with the Year 7 Swim Scheme. They are becoming more competent and confident in the water and have even started jumping in at the deep end of the pool!

**Please note:** Wycombe Leisure Centre have informed me that maintenance work is being carried out on the pool on Monday 19<sup>th</sup> December, so the lesson on this date is cancelled.

The cost for next term's swimming lessons will be **£30**. The cost per lesson is £3 and the students will be having 11 lessons before the end of the spring term (the payment for the 19/12 cancellation will be carried over to next term). Lessons will commence on Monday 9<sup>th</sup> January.

Payment can be made using Wisepay.

Please ensure that students bring their swimming kit and goggles with them every Monday. Students with long hair are required to wear a swimming cap in the pool.

I would advise students to bring a snack to eat after their lesson. They are permitted to use the canteen with the Year 9s during break 2 on Mondays to get some lunch.

A reminder that if your son/daughter cannot attend a lesson, please inform me in advance. This will avoid us chasing up students and leaving the school late.

Thank you for your support and cooperation, any queries please do not hesitate to contact me directly using my email address below.

Best wishes

*Helen*
