HEADTEACHER: Mr K Ford

10th January 2023

Dear Parent/Carer

Knowing that our school's parents, carers and wider community are compassionate and generous, I write to ask a favour after the Christmas holidays. Hopefully you have all enjoyed office parties, and various family gatherings!

Prom, bridesmaid's dresses and suits sometimes languish in wardrobes unused. Should you have formal wear that is no longer required, please would you consider donating it to GMS?

We are mindful that the current economic situation is placing more and more students, their parents and carers struggling with the cost of purchasing prom attire.

As you know, the Prom is an event that every student cherishes the memory of. Donations of Prom attire will ensure that some of next year's leavers can access and enjoy the event without worrying about how to afford a suitable outfit.

Often Prom or wedding attire is only worn once and is usually in great condition, I am offering to safely store these precious garments in readiness for this year's event. If you or anyone you know can give to this worthy cause, please direct your and their donations to the Textiles Department.

Thank you

Miss Addy
