15th September 2023

Dear Parents/Carers

Thursday 21st September 2023: Open Evening 5pm – 8pm

The school will hold its annual Open Evening on Thursday 21st September. This enables prospective parents to view the school and see some of our students engaged in educational activities. As we have done in previous years, to allow enough time to prepare the school for this function, we will be **closing at 12.30pm** on Thursday 21st September 2023.

The students who travel to school by coach or a taxi, organised by the Local Authority, will be collected from the school at 12.30pm.

if your child has been asked to help in a department, we would like you to give permission by completing this [MS Form](#) naming the department. Please only complete if your son/daughter has been asked to help.

As already notified, Thursday 21st is also our non-school uniform day in support of Jeans for Genes, where students are asked to show their support by wearing an item of denim. Donations should be made through Wisepay.

Yours faithfully

Mr K Ford
Headteacher
