

KS3

Let's get started...watch this video

Eight Wonders Of Our Solar System | The Planets | BBC Earth Lab

SOMETHING TO READ

Biomedical Science Journal for Teens

https://www.sciencejournalforkids.org/wp-content/uploads/2023/05/armadillo_article.pdf

SOMETHING TO VIEW

Dinosaurs: The Final Day with David Attenborough
<https://www.bbc.co.uk/iplayer/episodes/m0016djt/dinosaurs-the-final-day-with-david-attenborough>

David Attenborough reveals the last day of the dinosaurs in astonishing detail, with new evidence from a prehistoric graveyard dating to the day an asteroid devastated our planet.

SOMETHING TO LISTEN TO

A Life on Our Planet

<https://www.youtube.com/watch?v=0tvebuNmp-I>

An Audiobook of Sir David's Life Story, his witness statement and vision of the future on how the world has changed and if acted now we can yet put things right.

SOMEWHERE TO VISIT

Science Museum – London

<https://www.sciencemuseum.org.uk/home>

Natural History Museum – Oxford and/ or London

<https://www.nhm.ac.uk/>

The Eden Project

<https://www.edenproject.com/>

The National Space Centre: Exploring Space

<https://www.spacecentre.co.uk/>

SOMETHING TO DO

Make a video about a topical science issue

Make a video about a topical scientific issue (individually/ group) and share it with your teacher. Will it be good enough to share with your class?

SOMETHING TO WATCH

Watch a film that will help you to make a positive impact on our planet.

eg: A Life on our Planet

**AND FINALLY...
an act of kindness**

– Do something to positively impact your local or school community. Make sure you let your class teacher know what you've done. It could be displayed in our science corridor!
