## EXECUTIVE HEADTEACHER

Mr K Ford

## HEAD OF SCHOOL

Mr G Pendlebury

9<sup>th</sup> February 2024

Dear Parent/Carer

### School Uniform

Overall, the vast majority of our students follow the school uniform policy and wear the correct school uniform and do so appropriately and with pride. However, a small but increasing number of students over the course of this term have been missing items of uniform, particularly, ties, blazers, and shoes.

As we approach February half term, we have collected the details of students who are not wearing full and correct uniform, specifically reminding those students that on their return to school after the half term break, they will be expected to be in full and correct school uniform.

Parents and carers, please support with this by ensuring that if your son/daughter has the full uniform at home that they wear this uniform to school and continue to do so after the half term break. If your son/daughter are missing items of uniform, please can you take the time over the holiday to replace the items, so they return in full and correct uniform.

We believe that wearing the uniform correctly is an essential part of our students' education. It promotes a sense of belonging, as well as respect and responsibility, which are important values we strive to instil in our students.

Thank you for your continued support,

Yours faithfully.

**Neil Maguire**

**Deputy Headteacher**
