

KS3

Let's get started...watch this video

This Bizarre Town is Stuck in 2 Countries!

SOMETHING TO READ

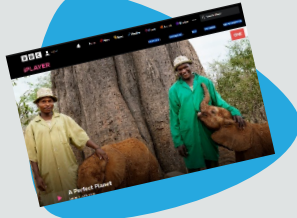

Halfway to boiling the city at 50C by Jonathan Watts and Elle Hunt

'It is the temperature at which human cells start to cook, animals suffer and air conditioners overload power grids. Once an urban anomaly, 50C is fast becoming reality'

Read this article about what would happen if a city reached 50c.

SOMETHING TO VIEW

A Perfect Planet

<https://www.bbc.co.uk/iplayer/episode/p08xc32c/a-perfect-planet-series-1-5-humans>

Humans are changing our planet so rapidly, it's affecting earth's life support systems: our weather, our oceans and the living world. To understand what is going wrong, we must look to the past.

SOMETHING TO LISTEN TO

A Life on Our Planet

<https://www.youtube.com/watch?v=0tvebuNmp-I>

An Audiobook of Sir David's Life Story, his witness statement and vision of the future on how the world has changed and if acted now we can yet put things right.

SOMEWHERE TO VISIT

Science Museum – London

<https://www.sciencemuseum.org.uk/home>

Sky Garden – London (it is free to book)

<https://skygarden.london/>

Walk part of theThames Path

<https://www.visitthames.co.uk/dbimngs/Marlow%20to%20Cookham%20Walk.pdf>

SOMETHING TO DO

Make a video about a topical geographical issue

This could be done individually or in a group and then share it with your teacher. Will it be good enough to share with your class?

SOMETHING TO WATCH

A film that we are in...

<https://www.youtube.com/watch?v=EF8C4v7Jlba> .

AND FINALLY...
an act of kindness

– Do something to positively impact your local or school community. Make sure you let your class teacher know what you've done. It could go on our Geography in the Local Community board!
